Re: Inspection to check for compliance with Regulation (EC) No 842/2006 on certain fluorinated greenhouse gases and Regulation (EC) No 1005/2009 of substances that deplete the ozone layer.

Dear Mr O'Hall,

Please find enclosed a copy of the report compiled following an inspection carried out on behalf of the Environmental Protection Agency (EPA) at Citycool Ltd on the 19th October, 2011 to check for compliance with the above Regulations.

As there are no non-compliances with the Regulations specified in the inspection report, no further action is required.

Yours sincerely,

Celine Horner
Inspector
